# PRESENTATION

---

Since 1995, our professional performance has stood out among some of the most traditional law firms in Brazil.

Bastos-Tigre, Coelho da Rocha, Lopes e Freitas Advogados Office is made up of a group of lawyers with extensive experience in business law. And with outstanding professional experience in some of the most traditional law firms in the country.

In order to maintain the quality and efficiency of the services provided, the Firm permanently invests in the training of lawyers, and encourages participation in specialization courses in Brazil and abroad.

In this way, the Firm seeks to train promising young people, with good academic training and graduates from the best universities in Brazil, to join its permanent team of lawyers, as well as investing in an infrastructure capable of meeting the demands of our clients in an efficient and responsible manner.

Based on the growth strategy adopted by the partners, the Firm invested in successful professional partnerships, with corresponding offices in the United States, several European countries and throughout Latin America.

In 2010, the Firm joined the renowned Chilean law firm Larrain Y Asociados, which has a strong presence in the infrastructure area, with more than 30 lawyers qualified to work in different areas of law.

In 2017, the Firm joined Chermont, Lauria, Florêncio e Verçosa Advogados, a traditional law firm in Rio de Janeiro. With great synergy between the teams, the association expanded the Firm's capacity to serve clients in areas previously not offered.
